Use	RGB + warm white 2700 K; CRI > 90; beam angle 38°; PWM dimming
Size / weight	Ø 85 mm; depth 63 mm; round aluminium body
Environment	IP20; 5-year warranty

SAFETY INSTRUCTIONS

WARNING

- Connect the light only to a power supply or controller with a 24 V DC output. Do not exceed the stated voltage.
- Disconnect the power supply from the mains before connecting.
- Do not use a damaged light and do not repair it yourself.
- Hand in the electrical device at a collection point at the end of its life (WEEE).

Disposal: A product marked with the crossed-out wheelie bin symbol must not be put in household waste. Hand it in at an electronic-waste collection point or to the seller when buying a new device. Hand in batteries separately at a battery collection point.

Important: this short guide in English was prepared by HomeSystem s.r.o. for customers of the obchod.homesystem.sk e-shop based on the manufacturer's documentation. In case of differences, the manufacturer's original manual prevails: https://minalox.com/minalox-led-spot/mlx100272
